Project Mission Focus: Disciple of Jesus Christ

- **Team Name:** Yggdrasil
- **Team member's Names:** Benjamin Bell, Gabe Lytle, Jared Linares, Zane Dayton
- **Project Title:** Ropes course
- **Project Influences:**

	Belief	Actions
Self	X Consciousness	<input type="checkbox"/> Conduct
Group	X Connectedness	X Interaction
Community	<input type="checkbox"/> Representation	X Cooperation

Explain:

- **Project Values:** Interaction, Connectedness, Cooperation, and personal consciousness
- **Description:** Be able to complete the ropes course as a group, and work together to get to the end, and ultimately over our collective fear of heights

- **Vision Statement:**

- **SMART Goal:**

- Specific: Get together as a team and complete the ropes course
- Measurable: start by getting together as a team, and getting each other's contact information
- Attainable: get each other's contact information
- Relevant: get together as a team, collect information, and designate someone to sign us up
- Timely: get other group members contact information by next class and schedule a time to discuss

**Summary:** Get together as a team, to attempt the ropes course. We'll start by getting together by the end of a class and collecting contact information. With the information collected we'll designate someone to sign us up or figure out how signups work, then work through that individual. We'll schedule a time within a week on when to attempt the ropes course.

- **Audience (Who, What, Where, When, Why, How):**
